This tool is used by the California Department of Aging (CDA) Public Health Nutrition Consultants to monitor the ENP services provided by an Area Agency on Aging (AAA). The revised tool is structured to reflect the requirements of the Title 22 Elderly Nutrition Program regulations with the regulatory citations noted for each section. Comments received from AAA directors and AAA dietitians were incorporated into the tool as appropriate.

Please contact your assigned AAA-Based Public Health Nutrition Consultant if you have any questions about the ENP Self-Review Tool.
